

Sociedad Mexicana de Ciencia y Tecnología
de Superficies y Materiales A.C.

*This year don't forget it, the border of knowledge
¡Ciudad Juárez awaits!*

International Conference on Surface Materials and Vacuum

September 25 - 29, 2017
Teatro Gracia Pasquel - UACJ
Cd. Juárez, Chihuahua, México

Important Dates 2017

Abstract Submission Deadline
May 24

Student Grant Application Deadline
July 15

Early Bird Payment
Intercovamex Prize Deadline
Fco. Javier Espinoza Prize Deadline
August 30

Symposia

- Advanced and Multifunctional Ceramics
- Atomic Layer Deposition
- Biomaterials and Polymers
- Characterization and Metrology
- Luminescence Phenomena: Materials and Applications
- Microelectronics and MEMS
- Nanostructures
- Photothermal Phenomena
- Plasma and Vacuum
- Renewable Energy: Solar Cells and Materials
- Semiconductors
- Surfaces and Interfaces
- Theory and Simulation of Materials
- Thin Films
- Tex-Mex Symposium
- Science Divulagation

Prizes

- Francisco Javier Espinoza Award for Experimental Research on Surface and Materials Science
- Intercovamex prize for Best Doctoral and Master Degree Thesis
- Best Conference Poster
